### ABOUT ME

**Full Stack Developer** with a degree in Psychology (USP) and **Google Associate Cloud Engineer** certification. Currently pursuing an **MBA in Software Engineering (USP/Esalq)** with a focus on services for digital marketing agencies (creation of websites, web/mobile apps and automation). I'm familiar with Astro, Vue, WordPress, Strapi, Django, Node, Tailwind, Flutter, Firebase, Supabase, n8n, GCP, Digital Ocean, as well as performance experience (GTM, SEO, Google Search Console, Google Ads, Google Analytics 4 and Meta Ads).

### EDUCATION

#### (2023 - 2025) MBA SOFTWARE ENGINEERING

USP/ESALQ (Brazil) - in progress

#### (2008 - 2014) PSYCHOLOGY

University of São Paulo (USP, Brazil)

#### 2022-TODAY

#### FULL STACK WEB DEVELOPER

##### Freelancer

- Websites, landing pages, apps and e-commerces with Astro, Django, Flutter, WordPress, Tailwind, Supabase and other technologies.
- Site portfolio: **[spindola.engineer](https://spindola.engineer)**

#### 2015-2022

#### PSYCHOLOGIST AND PSYCHOTHERAPIST

##### Autonomous

- Online psychotherapy for Brazilians, in Brazil and abroad

#### 2019 - 2020

#### PAID TRAFFIC MANAGER

##### Banrisul/SejaVero

- Traffic management of more than R\$1 million in Google Ads and Facebook/Instagram Ads.
- Creation and optimization of digital campaigns on Facebook, Instagram, Google and other traffic sources generating leads for the commercial.
- Investigating user base behavior to improve campaign performance with GA4.
